Food and Beverage

Due to liability and legal restrictions, no outside food and beverage may be brought into the Hotel. The Hotel reserves the right to charge for any beverages and food supplied in violation of this policy. The Hotel specifically prohibits the removal of food from any catered function by the client or any of the invitees. If alcoholic beverages are to be served on the Hotel premise, the Hotel will require that all beverages are dispensed by the Hotel servers and bartenders. The Hotel's alcoholic beverage license requires the Hotel to (1) request proper identification of any person of questionable age and refuse alcoholic beverage service if the person is either under age or proper identification cannot be produced and (2) refuse alcoholic beverage service to any person, who, in the Hotel's judgement, appears intoxicated.

Guarantees

To ensure the success of your event, it is necessary that you provide us with the exact number of guests in attendance for each function, at least three (3) business days prior. This number will become your guarantee, not subject to reduction. In lieu of a guarantee, the greater number of your contracted attendance or actual number of guests will become your guarantee. The Renaissance Hollywood will accommodate 3 percent over your guarantee.

Banquet Menus

Menu selections for all banquet events should be submitted to your Event Manager a minimum of (15) business days prior to the event start date to ensure our entire staff can adequately prepare to accommodate your needs. Banquet Event Orders will then be generated by your Event Manager to review and approve to confirm all event details.

Service Charge/Tax

All food and beverage will be subject to 24% taxable service charge and current California Sales Tax. Service Fees and Tax are subject to change.

Deposits and Credit

Events are confirmed upon receipt of deposit. Unless prior credit is established, prepayment is required for all events.
