### **THE RENAISSANCE HOLLYWOOD HOTEL & SPA ANNOUNCES THE RED CARPET SPA PACKAGE FOR CELEBRITIES ATTENDING RED CARPET EVENTS**

**Hollywood, California** – The Renaissance Hollywood Hotel & Spa is the hotel where the stars stay when they're attending Red Carpet affairs and movie Premiers. The hotel was designed and built as the Home of the Academy Awards® and every other event that takes place at the Kodak Theater. Which means that it's the place where the stars stay.

Last year, Spa Luce opened to rave reviews at the Renaissance Hollywood Hotel & Spa. The 6400-square-foot, state-of-the-art luxury spa features personalized treatments, celebrity-inspired pampering, and top-of-the-line beauty and health products. Sonya Dakar Skincare, the Somme Institute, and Red Flower are the signature products and represent the spa's complete commitment to all-around natural beauty. Sunlight streams into the spa and its seven distinct treatment rooms to create an environment of light and warmth that enhances the regenerative healing properties of the facility. Now celebrities can savor their spa experience and take advantage of a special package to help them get ready for any premier or red carpet event.

- The Red Carpet Spa Package Includes:

Soft indirect lighting accents pathways leading to treatment rooms and past an awe-inspiring glass mosaic wall created by Los Angeles artist, Kim Gordon, echoing the natural pattern and rhythm of water.

### **Signature Treatments**

#### **Japan Ritual**

This is a five-part ritual massage treatment, layering the therapeutic properties of flower oils and fruit essences with rich minerals from the earth and sea. You are purified with

yuzu mimosa sea algae, deeply scrubbed with gingergrass, polished with nutrient rich rice bran, and hydrated with rose, camellia and plum. The treatment closes with a shiatsu massage using kinmoxei wild lime silk oil to energize and restore the whole body.

### **Hamam Ritual**

In this five-step massage ritual based on the skin care practices of the hammam bath house, you will be intensely cleansed with Moroccan mint tea and silt, vigorously scrubbed with coffee, olive stones and fresh lemons, and wrapped in rich rhassoul clay to draw deep impurities out of your body. A Turkish massage using the curative essences of cardamom, jasmine, bergamot, amber and clove follows.
